# Eco Friendly Packaging Cotton & Jute

Say No to plastic

SWAYAM brings you its ever new ECO PRO collection.

One of the finest quality cotton made especially for high durability, soft touch resistance to pilling - is the most eco friendly fibre today.

The property of water absorption makes it a good conductor of heat, thereby keeping our body cool in summer and warm in winter.

This mercerized cotton after processing becomes hypoallergenic and ensures that sensitive skin is protected from any allergies.

The azo free dyeing and environment friendly non polluting printing techniques make this product 100% safe for ecology.
